

The Chapter 1: The Start of Wolf Islamic

The empire emerged from a beylik, or principality, founded in northwestern Anatolia in c. 1299 by the Turkoman tribal leader Osman I. His successors conquered much of Anatolia and expanded into the Balkans by the mid 14-th century, transforming their petty kingdom into a transcontinental empire. The Ottomans ended the Byzantine Empire with the conquest of Constantinople in 1453 by Mehmed II. With its capital at Constantinople and control over a significant portion of the Mediterranean Basin, the Ottoman Empire was at the centre of interactions between the Middle East and Europe for six centuries. Ruling over so many peoples, the empire granted varying levels of

granted varying levels of autonomy to its many confessional communities ,or millets ,
to manage their own affairs per Islamic law. During the reigns of Selim I and Suleiman
the Magnificent in the 16 th century ,the Ottoman Empire became a global
power.]29[

While the Ottoman Empire was once thought to have entered a period of decline
after the death of Suleiman the Magnificent ,modern academic consensus posits that
the empire continued to maintain a flexible and strong economy ,society and military
into much of the 18 th century. The Ottomans suffered military defeats in the

Chapter 2 : The Muslim King Of Europe

was once thought to have entered a period of decline after the death of Suleiman the Magnificent , modern academic consensus posits that the empire continued to maintain a flexible and strong economy ,society and military into much of the 18 th century. The Ottomans suffered military defeats in the late 18 th and early 19 th centuries ,culminating in the loss of territory. With rising nationalism ,a number of new states emerged in the Balkans. Following Tanzimat reforms over the course of the 19 th century ,the Ottoman state became more powerful and organized internally. In the 1876 revolution ,the Ottoman Empire attempted constitutional monarchy ,before reverting to a royalist dictatorship under Abdul Hamid II ,following the Great Eastern Crisis •

Chapter 3 : Sometimes Everything Has End

Over the course of the late 19th century, Ottoman intellectuals known as Young Turks sought to liberalize and rationalize society and politics along Western lines, culminating in the Young Turk Revolution of 1908 led by the Committee of Union and Progress (CUP), which reestablished a constitutional monarchy. However, following the disastrous Balkan Wars, the CUP became increasingly radicalized and nationalistic, leading a coup d'état in 1913 that established a dictatorship.

In the 19th and early 20th centuries, persecution of Muslims during the Ottoman contraction and in the Russian Empire resulted in large-scale loss of life and mass migration into modern-day Turkey from the Balkans, Caucasus, and Crimea. [30] The CUP joined World War I on the side of the Central Powers. It struggled with internal dissent, especially the Arab Revolt, and engaged in genocide against Armenians, Assyrians, and Greeks. In the aftermath of World War I, the victorious Allied Powers occupied and partitioned the Ottoman Empire, which lost its southern territories to the United Kingdom and France. The successful Turkish War of Independence, led by Mustafa Kemal Atatürk against the occupying Allies, led to the emergence of the Republic of Turkey and the abolition of the sultanate in 1922.

Chapter 4 : English & French Time

Ottomans was **will end very** no food no water (maybe but low) there in Europe (Anti-ottomans) the ottomans was very hated in very Europe in 18xx and more but... Muslim's in Arabic island-like did an country THE ARABIC COUNTRY its arabicstron of Iraq & Saudi Arabia & Syria & Jordan & same in Egypt with no admination & more Arabic contarys but British's eat iraq and same places with Jordon (ah man now i speak out of story or box) but let continue okay? Ok now French Eat Kannan & Syria (before Nazi) and ottonmas DEAD what then.....go ahead for another page

Chapter 5 : The Turkeys

When Mostafa Atatürk Get Adminstor To •
Ottonmas he Did get all places was eated And
Make Country to (TURKEY THE WOLF
COUNTRY AHHHHHHH!!!!!!) And Make A new
Language Has name TURKISHHHHHHH!!!!!!!!!!!!
And He Latino (not germiniy) And Everyone
Can't Know What was texted this hard right?
To Middet East System to Latino System (Was
Easy same learn it) Just Role Now Back to
Country? Ok Now Turkey From This Start to
now They Safe & Best Country for life

Final Thing

I don't know what now?.....
Thanks For Read This Book
(My Leg off Whan i was
texting)
